Application for a sponsorship

Lieber Pate, liebe Patin,

With this form you can sponsor a child sponsorship within the project "Ewaldi Children Education Fund". With the sponsorship, you pay the costs of attending school for a child in need of support. These include the school fees (to cover the teachers' salaries and the running costs of the school), meals at the school, school supplies, school uniforms and, if needed, accommodation in the boarding school area.

The cost of a sponsorship amount to 25, - € per month, which are conveniently debited by collection monthly, quarterly or annually or by bank transfer. The sponsorship can be terminated at any time, however, we point out that a termination should be at the end of a school year (in December) or at the end of a training at best. At the end of primary education (P1-P7 class), we will inform you about the child's development and further opportunities for further education. The sponsorship money is tax deductible as a donation and corresponds to the benevolent purpose. You will receive a donation receipt at the beginning of the following calendar year if one-off payments exceed 200, - Euro. Otherwise, your bank statements are considered as a donation receipt for the tax office.

Our sponsorships are staff sponsorships. Upon receipt of the application you will receive the documents and information about your child. You can contact your godchild by mail at the address ECEF - **Steven Sango, P.O. Box 33197 Kampala** in Uganda record. The godchildren will also write letters.

Vielen Dank für Ihren Einsatz
